1. Select the relevant month (current usage or history usage)
2. View history or current usage and an estimated report of your upcoming bill.
3. Report on incorrect usage or billing directly from your account:

Please provide as much information you can to describe the problem

4. Usage and Billing Details may be exported to CSV files.

### 3. Other Improvements and Changes

1. Security warnings in all web browsers were fixed, including Google Chrome blocked content issue.
2. AGS proportion based grading was removed (As it uses an AGS obsolete grading system)
3. Share email improvement for better appearance.
4. "Pavilion Height" text was changed to "Pavilion Depth" in views and reports
5. Improved Princes cut report (added missing parameters)
6. Miscellaneous bug fixes
