

MAKE-A-WISH®

CSR- SPECIAL COOPERATION WITH THE MAKE-A-WISH FOUNDATION *SARINE*

THE MAKE-A-WISH FOUNDATION

The Make-A-Wish foundation is an extraordinary organization granting wishes to children ages 3-18 who have life-threatening illnesses. The wishes are not only to make a child smile, but to prove that anything is possible and to motivate the child to continue fighting against their disease.

Make-A-Wish Israel was founded in 1996 and since then has fulfilled 4,000 wishes. A wish can be to travel somewhere, to get something, to meet someone, or to be someone for a day.

Sarine granted two wishes to two special children, Arian and Yonatan.
Two groups at Sarine participated in workshops to plan and carry out the wishes.
After weeks of organizing, two children had their wishes come true!

SARINE WORKSHOP GROUPS

Team Arian

Arian is a lovely 14 year old girl who wished to fly high in the sky and feel free as a bird. Arian's team was thrilled to fulfill her wish with tandem paragliding!

Team Yonatan

Yonatan is an amazing 13-year-old boy whose wish was to participate in extreme sports. The team made his wish come true by taking him on a two-day adventure he'll never forget!

ARIAN'S DAY

The wish began with a teaser – a lovely cake made by a professional baker, designed with an ocean scene, because of Arian's love of the ocean.

Her wish day began with a tasty picnic basket full of delicious foods, because every adventure needs to start with a good breakfast!

ARIAN'S WISH DAY

The team met Arian, her parents, and the paragliding guide in the north near mount Kamun. The paragliding started 400 meters above the ground, but the parachute went up very high, as Arian had wished! After 30 minutes in the air, Arian and the guide landed safely, and the team gave Arian and her family a voucher for a spa in Hamat Gader for relaxation and family time.

YONATAN'S WISH DAY

Prior to wish day, the group went to Yonatan's home to install a computer with 10 video games. Each of his family members also received T-shirts with his superhero comics on them, since Yonatan absolutely loves comics.

YONATAN'S WISH DAY

On wish day, the group met Yonatan and his family at the racetrack, where they all drove racecars around the track. Afterwards, they drove to an off-roading trip in Jeeps.

YONATAN'S WISH DAY

From there, they went to eat a family meal near the Dead Sea. They then went to Jerusalem to a hotel where they watched a show while eating and drinking together, followed by a meat restaurant for a family meal. The next day, they went go-karting and then went to an aquarium.
