

DiaExpert Edge - Recommended Computer Requirements

Minimum PC Specifications:

- Processor: Intel® Core™ i7
- Chipsets: Intel® 4th generation
- Operating System: Win7 pro 64bit \ Win10 pro 64bit
- Memory: 8GB DDR-4
- Graphic card- NVIDIA GT 740
- USB ports- At least 1 available USB3 port*
- Operating Systems:
 - i. Advisor: Win7 pro 64bit \ Win10 pro 64bit
 - ii. Gal Setup: Win7 pro 64bit. (Win10 is not supported)

Recommended PC Specifications:

- Processor: Intel® Core™ i7
- Chipsets: Intel® 7th generation
- Operating System: Win7 pro 64bit \ Win10 pro 64bit
- Memory: 16GB DDR-4
- Graphic card- NVIDIA GTX 1080
- USB ports- At least 1 available USB3 port*
- Operating Systems:
 - i. Advisor: Win7 pro 64bit \ Win10 pro 64bit
 - ii. Gal Setup: Win7 pro 64bit. (Win10 is not supported)

*in case of any technical problems with the USB3 port with one of the above configurations there is also an option to connect USB3.0 PCI-Express card as an alternative solution.

Recommended USB3 card that was tested and approved by Sarine:
Neosys PCIe-USB380/340
